This Week at Clare House

I would like to take this opportunity to thank the four parents who stood for election as parent governors. Being a school governor is an important role working with the school leadership team to continually improve the education for every child at our school.

Thanks also go to everyone who voted, it was good to see so many parents engage with the process.

Congratulations to Sarah Milne and Tom Morgan who, after a close vote, were the two parents elected to the Clare House governing body, we look forward to working with them as we all strive to make Clare House the best school it can be.

As their governor term draws to a close, I would also like to thank Ben Davies and Daniel Johns for their work as governors over the past four years, giving up a lot of their time and sharing their expertise to govern the school and ensure the school is doing its best to serve the children in its care.

We really appreciate their work and the work of all the governors.

Please remember that parent teacher meetings are being held virtually over Teams tomorrow and next Wednesday. Please ensure that you attend the meeting as scheduled as this is the opportunity for you to hear how your child is settling into their new year group.

Have a good week.

Book Recommendation

My book recommendation is The Explorer by Katherine Rundell

The plot is based upon four children stranded alone in the Amazon rainforest, following a plane crash, and their perilous quest to survive and escape. It explores themes of friendship and self-discovery, as well as being beautifully written and makes you feel as though you have been transported to a lush Amazon jungle. If you want to immerse yourself in a world of mystery and adventure, then this is the book for you! I would recommend it for Years 5 and 6. If you like this story, you will also enjoy: The Polar Bear Explorers' Club by Alex Bell.
